

SLCC Live Craft Demonstration – Medicine Bag

The Squamish Lil'wat Cultural Centre (SLCC) in Whistler is a thriving cultural centre educating youth and visitors from around the world. While our doors are temporarily closed due to the COVID-19 pandemic, our hearts are still open and eager to share our cultures with you. This week's craft activity is a medicine bag.

To follow along and make your own, you will need:

Buckskin rectangle 7" long x 4" wide

65" of leather lace

Leather whole punch

6" of leather lace

Scissors

Optional: Pony Beads and Feathers

**If you do not have all the materials, you can still follow along by using any type of stiff fabric -jean or thick felt will work for the rectangle. Wool string or ribbon can be used in place of the leather lace.*
