

SLCC Live Craft Demonstration – Cedar Rope

The Squamish Lil'wat Cultural Centre (SLCC) in Whistler is a thriving cultural centre educating youth and visitors from around the world. While our doors are temporarily closed in response to the COVID-19 pandemic, our hearts are still open and eager to share our cultural practices with you. We look forward to digitally welcoming you into our homework spaces over the coming weeks; this week's focus is a cedar rope.

To follow along and make your own, you will need:

1 stand of cedar ½ inch wide x 2 feet in length

**If you do not have cedar, you can use string, leather, or long hair to learn this technique. You will need scissors, too.*

As we weave our way through the daily changes and challenges of this global pandemic, we need your support now more than ever. Through [donations](#) and [membership](#) purchases, the SLCC is able to continue online initiatives such as the live craft demonstrations. Please consider purchasing a membership today and, in appreciation, we will extend it to be valid for 18 months (rather than one year).
