

## SLCC Live Craft Demonstration – Loom Beading - Bracelet

The Squamish Lil'wat Cultural Centre (SLCC) in Whistler is a thriving cultural centre educating youth and visitors from around the world. While our doors are temporarily closed in response to the COVID-19 pandemic, our hearts are still open and eager to share our cultural practices with you. We look forward to digitally welcoming you into our home work spaces over the coming weeks; this week's focus is a Loom Beading Bracelet.

To follow along and make your own, you will need:

Stiff Cardboard 8 inches x 3 ½ inches  
Pony Beads  
String or wool roughly 90 inches in length  
Sinew 26 inches in length  
Scissors  
Tape  
Needle  
Small Elastic band

*\*If you do not have all the materials, you can still follow along by using different beads you may have at home as long as the string you are using can pass through the beads easily twice. If thick cardboard is unattainable tape multiple layers of thin cardboard from cereal boxes or Kraft dinner.*

As we weave our way through the daily changes and challenges of this global pandemic, we need your support now more than ever. Through [donations](#) and [membership](#) purchases, the SLCC is able to continue online initiatives such as the live craft demonstrations. Please consider purchasing a membership today and, in appreciation, we will extend it to be valid for 18 months (rather than one year).
