Access Times and Early Access / Overtime Fees

The SLCC is a venue that operates multiple layers of programming throughout the day for our museum tours and activities as well as daytime conferences and meetings. When renting the Cultural Centre as venue space, the contracted access determines the handover of the hired spaces from time of load-in of suppliers to load-out. We can negotiate access times to accommodate earlier starts or set-up times on a case by case basis but cannot guarantee earlier access unless stipulated in the Venue Agreement and charged accordingly.

Disclaimers

- * Early access to event spaces can be negotiated on an individual basis and charged accordingly.
- * Dancing permitted in all contracted spaces; Great Hall, Istken Hall, and Longhouse.
- * Additional charges may apply for vendors/suppliers that require more time to teardown after an event.
- * The SLCC requires that all weddings are managed by a professional wedding planner.
- * Access times do not include Kitchen Access. Kitchen Access is 5pm unless other arrangements have been made at an additional cost.

Please note: The Mezzanine Patio is restricted by noise bylaw commencing at 10pm. The Longhouse is available until 1am for evening rentals.

Rental Guidelines

Payment Policies

The venue rental payment policy requires that 40% of the venue rental be paid upon signing the contract and the remainder be due 30 days prior to the event. Payments and contracts with caterers and event suppliers are separate from the Squamish Lil'wat Cultural Centre contracts.

Parking

There is very limited on-site parking at SLCC. All event guests are asked to park in nearby Municipal day lots, a picturesque 5-minute walk away, or to arrange for shuttles/taxis to facilitate drop-offs. Parking stalls on site will be restricted to those guests with mobility issues.

Preferred Catering Partners

The SLCC works very closely with our preferred catering partners to ensure exceptional quality of events. Our partners were chosen based on their ability to cater a variety of different style events, meet different price points and ensure service quality is of the highest level. **Non-preferred catering is not permitted.** Please contact these catering partners directly for sample menus.
